# Maria Sibylla Merian

The **Maria Sibylla Merian** is the newest addition to the **Primus fleet** which lets boat trips on the river shine in a brighter light. Both the inside and the outer deck are very spacious and offer room for approximately 200 passengers each. The interior of the Merian is dominated by warm and friendly colours. The ship's panoramic windows and the modern skylight window highlight the elegant

atmosphere. After sunset the onboard LED lighting system accentuates the inner deck by creating an atmospheric light. Our onboard catering team will be pleased to create a menu according to your wishes.
