Wikinger

The Wikinger, Primus` smallest and fastest boat, presents itself visibly modernized and technically improved. The boat offers sufficient space for festivities up to 120 guests. Its comfort and interior can easily keep up with the standards of the rest of our fleet. The 2 stylish and blue, white and gold colored inside decks can be arranged according

to individual wishes. The large windows and the warm colors create a comfortable and maritime atmosphere. The Wikinger feels like a small private yacht - ideal for a get-together and chat but also for fine dining and meetings.
