

Welcome on board

Dear Primus guests,,
we are happy to welcome you on board. Please note that only passengers with a “Green pass” may participate in our rides and excursions. We differentiate between German “3G rule” – vaccinated, tested, recovered and “2G rule” – vaccinated, recovered”.

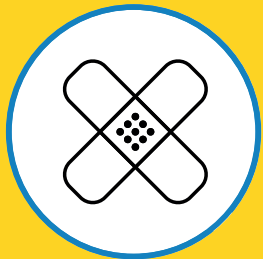

Please visit our **FAQ** page for details which rule applies for which boat ride.

Vaccination (valid proof needed)

A person is fully vaccinated 14 days after all having received all necessary shots.

Recovery (valid proof needed)

If you have recovered from Covid-19 in the last 6 months, a positive PCR test (incl date) and a negative test after quarantine count as valid proof. Alternatively the official quarantine order and negative test after isolation can be shown as proof

Test (valid test needed)

Those people who are neither fully vaccinated nor recovered need a PCR test (48 hours from the time of taking the sample). Children and people who cannot be vaccinated for medical reasons still only need a rapid antigen test. This applies to students presentation of the test booklet.
