

Schützen Sie sich und andere:

Dear Primus guests,

it is our utmost priority to welcome our guests safely on board. Our chief goal in these times is to take our part seriously in trying to avoid the spreading of the virus. For this reason all current laws and regulations as issued by the Hessian federal state are in operation.

Please therefore note these guidelines and regulations on board:

You are obliged to wear a face mask when embarking and disembarking the vessel. In addition, your mask must be worn whenever you move around on board. You may take it off when taking your seat.

A disinfectant solution is available and ready to use at the entrance of each ship.

Please stick to the path marked on the floor

Keep a distance of at least 1.5m to other guests

Cough or sneeze into the crook of your arm

Rooms will be aired regularly

Contact surfaces will be cleaned and disinfected regularly

All contact forms must be filled out

Evening/dinner cruises: please stick to our pre-arranged and permanent seating order

Always follow our crew's instructions
